**Requirements for Completing Compact-sponsored All Ohio Literacy PD**

The Compact will cover stipend costs (\$1,000 per participant) associated with participation in the full professional development. Each participant can earn \$250 for completion of each module with a post-test score of 85% or greater and participation in each Community of Practice session. For district participants that are ineligible to receive a stipend, resources will be provided to the PK12 district.

Participants must commit to completing four comprehensive learning modules and to attending all virtual (live) Community of Practice sessions. The estimated module completion and Community of Practice session timeline is provided here:

- The Simple View of Reading – March 2022
- Teaching Phonics & Word Recognition Part 1: The Why – April 2022
- Teaching Phonics & Word Recognition Part 2: The What – May 2022
- Teaching Phonics & Word Recognition Part 3: The How – June 2022

A schedule will be posted for participants with the dates for the virtual (live) Community of Practice sessions. In the event a participant cannot attend a particular session due to unforeseen circumstances, he/she/they will be asked to attend a “replacement” session.

A virtual orientation session will be held on **Monday, February 21, 2022 at 2:00 pm** for all IHE and school/district faculty interested in learning more about the professional development. Participants are expected to take the initiative to understand requirements associated with the professional learning prior to submitting their completed and signed **Agreement to Participate** form.

Completed and signed **Agreement to Participate** forms should be emailed to Jennifer Ottley, PhD, Director of Research, University of Cincinnati Systems Development & Improvement Center, at [Jennifer.ottley@uc.edu](mailto:Jennifer.ottley@uc.edu). Participation is contingent on funding available and all individuals selected will be notified.
